LOT 761 - Five Extra High Quality Fossil Shark's Teeth in New Display Case

Description

Here we have 5 teeth that are probably 1,200 to 2,000 years old. The large gray ones are Great White Shark teeth. The two yellowish colored ones are Mako Sharks teeth. The smaller one in the middle is an extremely sharp Tiger Shark tooth. All five of these are the highest in quality you can get. These are serious collectors items.
