

Sale Name: Superior Animal Brokers Fall Classic Taxidermy Auction
LOT 439 - Kalahari Bushman's Bow, Quiver, & Arrows

Description

This hunting equipment is in very good condition. The quiver has a small black plastic bag tied to it which are matches. The plastic bag is to keep them dry. The Quiver is packed with hair and grass bundles to keep the arrows from rattling together and making noise, when they are making a stalk to take a shot. Their are 5 Arrows and these are all sharp.

Quantity: 1
