

**Sale Name:** Superior Taxidermy & Artifact Auction

**LOT 171 - # 2 All Time SCI Record Book Cape Grysbok Full Body Taxidermy Mount**

### Description

This animal has not been officially entered in the Records yet, but he has been carefully measured by a Master Measurer and he is certainly the new number 2. Also we believe he is the New World Record because, looking at the photos of number one,

the horns will fit inside of this one, and they must not have added the score of each horn properly. The mount is in mint-like condition and the taxidermy grades a solid 10.
