**LOT 201 - Asian Brown Bear Skull Taxidermy**

### Description

This Bear was harvested in Yusufeli, Northeast Turkey. It could be called a Eurasian Brown Bear. Turkey is kind of a border type country between Europe and Asia. This Bear was very old and he broke off three of his small upper front teeth. Most Asian Browns do not get as big as the Alaskan and Kamchatka Brown Bears. This skull is in very good condition with the exception of the three teeth mentioned.
